DETAILED ACTION

1. Amendment filed on August 19, 2003 has been entered.
2. Claims 1-22 are presented for examination.

Reasons for Allowance

3. Claims 1-22 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 1-22 include allowable subject matter since the prior art made of record and considered pertinent to the applicant's disclosure does not teach or suggest the claimed limitations. Abedifard (U.S. Patent No. 6,366,524), and others, does not teach the claimed invention having a method and an apparatus of memory device (Figure 1) comprising an address circuitry (104) coupled to the mode register (116) to configure the addressable banks in response to a program state of the mode register as described in Figure 1,

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
